Dear Madam Chairman and Vice Chairman Chambliss:

The Intelligence Community (IC) is pleased to provide you with the Administration's proposed Fiscal Year (FY) 2013 Intelligence Authorization Act for consideration by the Congress. The provisions included in the FY 2013 proposal constitute legislation that would increase the effectiveness and efficiency of the IC.

The Office of Management and Budget advises that there is no objection, from the standpoint of the Administration's program, to the presentation of this legislative proposal package for your consideration and the consideration of the Congress. We appreciate the continuing support of this committee for our nation's critical intelligence capabilities, and look forward to working with you on this legislation.

Sincerely,
