10. INDICATE ANY SPECIALIZED INTELLIGENCE OR NATIONAL SECURITY EXPERTISE YOU HAVE ACQUIRED HAVING SERVED IN THE POSITIONS DESCRIBED IN QUESTIONS 8 AND/OR 9.

I have served for 21 years with the Central Intelligence Agency and have held a TS/SCI clearance throughout my tenure. At CIA, I have worked as an Analyst (2004-2005) and as an Operations Officer (2005-present) and have experience/training in all of the IC's core missions: conducting all-source analysis, intelligence collection, and covert action. While most of this work was classified, I would be happy to elaborate more fully in the appropriate setting. In addition to CIA, I worked both as Chief of Staff at the Office of the Director of National Intelligence and at the National Security Council, where I gained first-hand experience directing the IC and seeing how policy makers utilize intelligence to inform their decision making.

I most recently was a CIA Station Chief / DNI Representative in a former Soviet country. I am certified in CIA's most rigorous operational tradecraft required to operate in the hostile counterintelligence environments and also have training/experience in the conduct of high-threat meetings. I have extensive counterintelligence training and have served as intelligence advisor/briefer to two ambassadors. During my tenure as an analyst, I contributed work on more than one occasion to the President's Daily Brief. I have extensive experience collaborating with private industry and across U.S. Government agencies, including with NSA, FBI, DIA, State INR, and others. I understand intimately the value of ground-level intelligence and how to work with collectors, targeters, and analysts from multiple organizations to advance the shared mission of protecting the United States via focused, high-quality intelligence support.

11. HONORS AND AWARDS (PROVIDE INFORMATION ON SCHOLARSHIPS, FELLOWSHIPS, HONORARY DEGREES, MILITARY DECORATIONS, CIVILIAN SERVICE CITATIONS, OR ANY OTHER SPECIAL RECOGNITION FOR OUTSTANDING PERFORMANCE OR ACHIEVEMENT).

CIA has recognized my work with 13 exceptional performance awards, two meritorious unit citations, and multiple language achievement awards. ODNI bestowed a DNI's Distinguished Achievement Award for my work on organizational reform. Texas A&M awarded me the Lechner Fellowship (four-year scholarship).

PART B - QUALIFICATIONS

14. QUALIFICATIONS (DESCRIBE WHY YOU BELIEVE YOU ARE QUALIFIED TO SERVE AS THE PRINCIPAL DEPUTY DIRECTOR OF NATIONAL INTELLIGENCE).

For the past two decades, I have served on the front lines of intelligence as a CJA operations officer. I have extensive, direct experience with how the community collects information, analyzes it, and presents finished intelligence to decision makers. I also have worked on covert action programs, both as an executor and from the National Security Council as a policy official. I've utilized and enabled signals intelligence and worked across agencies with nearly all components of the IC. Before that, I worked as an analyst creating and briefing finished intelligence products. These experiences position me to keep a focus on the core missions of intelligence: On the work of the collectors, the analysts, and the covert operators who are at the heart of what the IC should be doing. I've seen what works well, and I've seen where we fall short. If confirmed as PDDNI. I will use this experience to support the DNI by asking about every program, every regulation, and every dollar we spend: Does this advance the mission of the IC?

PART G -ADDITIONAL INFORMATION

48. DESCRIBE IN YOUR OWN WORDS THE CONCEPT OF CONGRESSIONAL OVERSIGHT OF U.S. INTELLIGENCE ACTIVITIES. IN PARTICULAR, CHARACTERIZE WHAT YOU BELIEVE TO BE THE OBLIGATIONS OF THE PRINCIPAL DEPUTY DIRECTOR OF NATIONAL INTELLIGENCE AND THE INTELLIGENCE COMMITTEES OF THE CONGRESS, RESPECTIVELY, IN THE OVERSIGHT PROCESS.

Congress plays a crucial oversight role for the Intelligence Community, ensuring that IC agencies follow the law and do not abuse the considerable trust the American people place in them. Congress further ensures IC agencies are good stewards of the public's money and are properly directing their efforts towards the protection of the country. If confirmed as PDDNI, I will ensure ODNI fully informs Congress, in a timely manner, of everything the IC is doing, and I will be willing to appear before the relevant committees to discuss intelligence matters as requested.

49. EXPLAIN YOUR UNDERSTANDING OF THE RESPONSIBILITIES OF THE PRINCIPAL DEPUTY DIRECTOR OF NATIONAL INTELLIGENCE.

If confirmed as PDDNI, I will support the Director of National Intelligence with integrity and in accordance with the Constitution and laws of the United States. In extensive conversations with the DNI, she expressed a commitment to provide the President and policymakers with timely, independent, unbiased intelligence integrated and drawn from across the Intelligence Community (IC), to support informed decision-making. I strongly align with these goals and if confirmed would do my utmost to support the DNI and help implement her vision for the community, providing advice and assistance as needed drawn from my decades as a career intelligence officer.

Congress created the position of Director of National Intelligence in the wake of 9/11 to first, serve as the leader of the IC responsible for integrating foreign, domestic, and military intelligence and collection across IC elements; and second, to serve as the president's principal intelligence advisor. The role of the PDDNI is primarily to support the DNI in executing these duties, ensuring implementation of the president's priorities and directives as expressed by the DNI. To do this, the PDDNI needs to be in constant contact not only with the senior ODNI staff, but also with counterparts and leaders from across the intelligence community. In short, the DNI sets the direction for the IC based on the president's priorities, and the PDDNI plays a key role in ensuring the intelligence agencies both understand and take action to implement the DNI's instructions.
